# THE PEREZ FAMILY TO URUGUAY

December 2020

Merry Christmas, Dear Friends!

At this very special time of the year, we want to wish God's greatest blessings upon your lives! In this changing world we live in today, may we meditate on our never-changing God and the greatest gift we have, salvation through Jesus, His Son. Thank you for helping us share this message to the people of Uruguay.

## What is new with us?

We are in the States for our furlough and some special time with family. (We have a new grandson, Benjamin Mark Briley Perez born in August...a beautiful boy!) Archie got to meet our other grandson, as well (Judah, born almost two years ago!).

We have found our travels, so far, very different as we encounter many changes, but we have enjoyed sweet fellowship with the churches we have visited. Thank you for making everything possible to make our visits very special in the middle of COVID-19 protocols.

We will spend Christmas with most of our children after a few years of not being together. We are so looking forward to that very special time.

## News from Uruguay...

On Monday, December 7, our seminary started its program for the summer with ten full-time students and others who attend evening classes. We are so happy that Pablo Soria (the man recovered from addictions) is doing the seminary work, since he feels called to be a pastor.

No summer camp this year... we are disappointed, but there is nothing we could do about it. The government in Uruguay is implementing tougher measures as they deal with an increasing number of COVID-19 cases.

Pablo Kechichan is leading the church in El General, and all we hear about his leadership is very good. Please remember him in your prayers.

Pastor Gustavo Gonzalez and family (going to Artigas, Uruguay) will leave our city in February to start a church. Four churches from Uruguay have already committed to supporting them; praise the Lord!

David and Andrea Gonzalez are making plans to come to the States to raise support in February 2021. Please pray for all of them and God's leading and provision. They will be here from February to August, if you would like to have them visit your church you can contact them through the following address: **famgonzalezuru@gmail.com**

### **Prayer requests...**

Our daughter Andrea and David (Gonzalez) will need a car during their six months of U.S. travels, beginning in February. Please pray for them.

We praise the Lord for the wonderful music they have recorded... music in Spanish that honors our Lord. Here is the link to their new Christmas CD in Spanish. You can access free to it here:

We appreciate your prayers for us as we travel. May the Lord keep us safe, and may we be a blessing to our churches.

Thank you for your love and support!

Merry Christmas!

Yours for Uruguay,  
Archie and Ruth Perez
